# FIORA

Fiora presents a wide range of high gloss finishes from a dark and mysterious Anthracite to a bright and refreshing White. Cool, sleek and minimalist are the design focus of this range, providing a popular and contemporary style for your bathroom.

Contemporary living is shown off at its best with Fiora. High gloss doors provide a cool, minimalist feel that accentuates simple design lines. Large bright tiles on floors and walls co-ordinate well with the finish of the doors, creating a spacious area, with the addition of woodgrain effect countertops and shelving adding texture to the overall design.

Inspired By Contemporary Living

The Fiora collection offers a stunning variety of high gloss finishes, perfect for the modern bathroom. Include a single gloss colour or mix with a contrasting colour to produce a bathroom to be proud of.

Choose from a wide selection of countertops to complement your chosen colour, with matt woodgrain effect adding a subtle contrast to the gloss doors. Additional chrome accessories including taps, handles and mirrors can be added to complete the overall look.

# AVIANO

Matt Cashmere

A subtle textured woodgrain finish defines Aviano. With the popular colour options of Cashmere and Porcelain available, there is the opportunity to choose the one that best suits your home and your lifestyle.

A bathroom to suit your home and your hectic family lifestyle can be achieved with Aviano. Textured, soft, warm colours are available that work well with marble effect countertops to deliver the perfect family bathroom.

Inspired By Family Living

Matt Porcelain

The textured colours of Cashmere and Porcelain work perfectly on their own or mix and match to create a harmonising contrast between base and wall cabinets.

Available with either standard handle options or the Inline trim handle to present a contemporary linear style to your bathroom. The addition of carefully selected standard or illuminated mirrors can introduce light into the room and make even the smallest bathroom feel bigger.

# LUCCA

Matt Pure White

Lucca includes a subtle Matt Pure White finish, perfect for the modern home. This simple furniture style is a designer's dream and encourages the introduction of colour from tiles, flooring and additional accessories.

Lucca, with its simple design style, is perfect for the modern apartment. The matt colour can work in harmony with both soft and brightly coloured floor or wall tiles to bring your bathroom to life. Gloss white countertops add the finishing touch with stylish chrome handles, tap and shower.

Inspired By City Living

Include a matching en-suite design with Urbano's Lunar PTO White bedroom range. This can allow the design of the bathroom to effortlessly flow into the adjoining bedroom to create a seamless style, perfect for the modern home.

# VALENCIA

The traditional style of Valencia is emphasised with shaker style doors and a selection of warm matt colours, which create the perfect environment for a comfy family home.

Valencia with its classic design style includes straight, bold lines that add depth and definition. Mix with antique taps, tiles and textiles to create a welcoming family bathroom that fits around your lifestyle.

Inspired By Classic Design

Available in Ivory and Platinum colours, Valencia presents a welcoming feel to your bathroom. There is the option of including additional panels between cabinets for an in-frame design, or opt for without, for a more contemporary style.

Include marble effect countertops for more of a country theme and dress with appropriate accessories. Then select either bronze or clear knob handles to add to the overall definition of the room and present a homely feel.

# SAN MARCO

San Marco is the perfect choice for Urban living, its modern handleless style sits well with the use of non-traditional features such as steel, concrete and unfinished surfaces. These sophisticated materials incorporated with clever use of storage solutions can result in a multifunctional bathroom design.

The urban interior style merges industrial with contemporary design. Main features include concrete floors, exposed timber beams, steel and unfinished surfaces. Team these together with the sophisticated finishes of a San Marco bathroom to make the urban look more expensive and polished.

Inspired By Urban Living

San Marco includes the option of Gloss Cashmere and Gloss White colours. The integrated pull handle means that no additional handles are required and presents a streamlined linear styling.

The simple, sleek design of San Marco boasts urban living. Include textures in your bathroom design such as exposed brickwork or weathered timber to create a rustic effect.

# GIRONA

Matt Light Ash

The clever cross-grain effect of Girona delivers both a functional and visually striking bathroom design. The Light Ash finish is a refreshing colour, which introduces light into the room, whilst adding definition to your storage solutions.

Girona with its woodgrain effect finish can work in harmony with exposed brickwork to include rough textures and rough edges. Accessorise with black taps and mirrors, used together with contrasting chrome handles on doors and drawers, to create an industrial look.

Inspired By Industrial Spaces

Include a matching en-suite design with Urbano's Dusk Matt Light Ash bedroom range. The textured Light Ash finish of Girona can follow through into the adjoining bedroom design to create a visually striking combination, whilst offering all the storage space you could need.

# GRANADA

Matt Dark Oak

Granada includes a dark and mysterious woodgrain effect finish, which is perfect for the modern family home. This textured range is characterised by its versatility and well suited for use with gloss white countertops and white tiles. The overall style fits well with the popular Scandi style.

Traditional Scandinavian design is characterised by simplicity, minimalism and functionality. Granada is the perfect bathroom finish to showcase this trend with the stylish and contemporary woodgrain effect finish. The use of the one piece Softform basin and countertop emphasises the simplistic design style and accessorised with a stylish chrome monobloc tap.

Inspired By Scandi Style

Include a matching en-suite design with Urbano's Dusk Matt Dark Oak bedroom range.

The dark woodgrain finish can follow through into the adjoining bedroom by including matching wardrobes, chests and bedside tables to create all the storage space you will need, whilst delivering an eye catching style.

# CARRARA

Gloss White Grey

Carrara incorporates a stylish woodgrain effect design with a flat gloss finish, resulting in a bathroom that is suited for both contemporary and traditional living. Whatever the setting, the finished result is both glamorous and visually striking.

Carrara with its glossy woodgrain effect finish shows off glamorous living at its best. Include two separate modular units with integrated sinks to provide his and her basins, and complete the look with a feature mirror. Alternatively Minerva solid surface countertops can be used on top of storage units to deliver a bathroom that gives the feeling of quality.

Inspired By Glamorous Living

Why not include a co-ordinating bedroom design with finishes that complement the style of Carrara. Wardrobes and chests that include high gloss colours can be used to continue the style of glamorous living into the adjoining bedroom.

1

## Find the look

Carefully consider furniture styles that co-ordinate well with the design of your home. Take inspiration from your existing bedroom if you are designing a matching en-suite, or additional prized possessions in other areas of your home. This will steer you towards either a sleek and contemporary or warm and traditional style to help create a bathroom environment to be proud of.

3

## Select your unit style

Modular or Floorstanding? The choice is yours. Select the correct furniture style that complements the existing style of your home, from modular contemporary designs to a floorstanding traditional look, with ample storage space to suit.

4

## Storage requirements

A place for everything. With an abundance of storage options to choose from, the design possibilities are endless. Carefully consider who will be using the bathroom and design the furniture around your lifestyle. Base cabinets offer a fantastic storage option under a sink for those much needed items, whereas wall units are a great solution to hide away any potentially harmful items from children.

5

## Choose your colours and handles

With an abundance of finishes, countertops and handle options to choose from, you can design your bathroom to be in keeping with the style of your home. Dark woodgrain, shaker matt or muted colours offer a warm and homely feel, whereas handleless doors with high gloss or flat matt finishes are a designer's dream, offering a contemporary option. Ensure that the finishes co-ordinate well with the walls, flooring and accessories chosen to help transform your bathroom into a tranquil paradise.

# CREATE YOUR DREAM BATHROOM

2

## Plan your bathroom

Look at the space available and think about who will be using the bathroom. Plan in cabinets, a toilet, basin, tap, bath and shower that fits around you and your lifestyle. Consider cabinets that include ample storage space and are easily accessible for those much needed items.
